Lyrics

Verse 1

We walk this earth with fire in our hands.
Eye for an eye, we are nemesis.
We are with you on this vicious soul.
Fight, fighting for freedom, united we stand, we stand.

Verse 2

We are a legion, voice of anarchy.
This is revolution creating new disorder.
We are enemy, divided of the system.
Crushing democracy, trading it in this time, yeah.

Chorus

One for all, all for one, we are strong, we are one.
One for all, all for one, we are one nemesis.

Verse 3

A malicious fever burns in our heart, in our veins.
New blood, my blood, our blood runs the same this time.
